

Wall Guard

MAXIMUM PROTECTION FOR YOUR CAR DOOR.

Car doors are spring loaded to open to a set angle and stay there, so can open by themselves if not held.

Prevents damage & paint chips from “the door that got away”

Includes all hardware to mount to studs, brick and concrete.

AGENCIES**

Hanging Door Guard

Protects both cars in your garage

Includes all mounting hardware.

Magnetic Door Guard

Protects vehicle against Door Dings & Chipped Paint.

Soft, nearly invisible PVC helps cushion even the hardest of blows.

Smooth magnetized rubber strip holds Door Guard onto vehicle without scratching paint.

Park Smart Clean

Garage Mat

Catches every drop of mud, slush and grime.

Keeps your garage and home clean and safe.

Prevents slips and falls.

Heavy-duty 20mm vinyl holds litres of liquid and dirt.

Super strong, raised Snap-On edges are fast and easy to install.

Each Clean Park uses Snap-On side pieces and end pieces.
